

Bradley K. Slone, P.E.
City Engineer
City of Pikeville

Brad is a licensed Professional Engineer in Kentucky. He received his B.S. in Mining Engineering from the University of Kentucky in 1996. He has been employed at various consulting engineering, public and private utility, and mineral exploitation companies since January of 1997 and is currently employed with the City of Pikeville. Brad has approximately 20 years of experience in mining and reclamation, environmental permitting, utilities, and municipal engineering. He recently completed three years as president of his local chapter of the Kentucky Society of Professional Engineers.
